Notice to Our Patrons

Since the opening day the facilities of The Three Crowns Restaurant have been taxed far beyond our expectations. The restaurant has been filled to overflowing throughout each day, with many people patiently waiting outside for admittance.

While we appreciate the popularity of the restaurant, we regret the inconvenience caused our patrons by the necessity of waiting and assure you that we are doing our utmost to expedite the work in order to obviate crowding and to improve the service.

In the meantime, we hope that our clients will bear with us.
